The Digital Scrapbook Teacher Save Stories

© 2012 Patty Debowski - The Digital Scrapbook Teacher
July 2012 Newsletter Tip

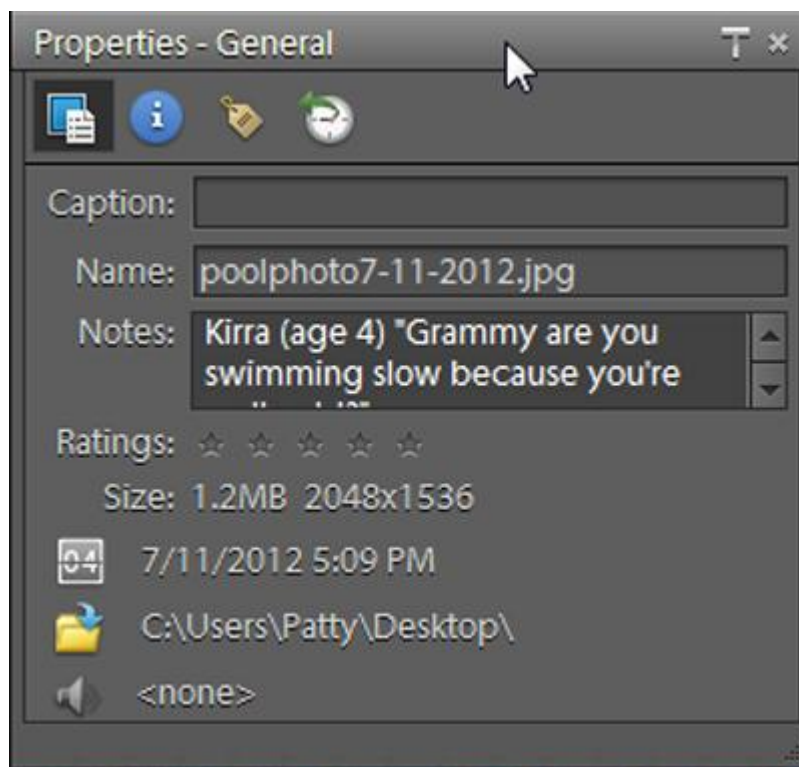

To save information with a photo (or other file):

Open the PSE Organizer.

Import the photo into the Photoshop Elements Organizer (File>Get Photos and Videos).

Select the photo and go to Window>Properties>General.

Type the information in the Notes section.

If you're not using the Organizer be sure to check out our Organizing Photos with the Photoshop Elements Organizer online class....you'll be glad you did!
